**LEDGE ROCK CENTER RESIDENTIAL METROPOLITAN DISTRICT NO. 2  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Ledge Rock Center Residential Metro District No. 2 (District), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by Order and Decree of the District Court for Weld County recorded on December 2, 2021, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town of Johnstown on September 8<sup>th</sup>, 2021.

The District was organized to provide for the planning, design, acquisition, construction installation relocation, redevelopment, financing, repair, replacement and operations and maintenance of the Public Improvements from the proceeds of Debt that may be issued by the District and to provide for the ownership, operation or maintenance by the Town or District where appropriate.

On November 2, 2021, the District's voters authorized total indebtedness of an amount not to exceed \$46,800,000 for the above listed facilities. The District's voters also authorized total indebtedness of \$7,800,000 for debt refunding and \$3,900,000 debt related to intergovernmental agreements or other contracts with other public entities. The election also approved an annual increase in property taxes of \$10,000,000 without limitation of rate, to pay the District's operation and maintenance costs.

Pursuant to the Service Plan, the District is permitted to issue combined bond indebtedness of up to \$3,900,000. In the future, the District may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the District's service area.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees and all administrative functions are contracted.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April, or if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:
